

# Cizy Biocare

**CONTRACT MANUFACTURER**

*Of Cosmetic & Ayurvedic Products*

## About Us :

The notable journey started in 1997, when the company was initially called Mehar Laboratories. The company was later renamed Cizy Biocare as the organisation extended its innovative thinking to take Cosmetics and Ayurveda to a ground-breaking level. Our latest waves of operation embody advanced scientific research, manufacturing, and supplying a large range of products for all ailments and across all ages. With over 25 years of experience, Cizy Biocare prides itself on its mix of traditional values and cutting-edge technologies to deliver safe and assured quality products. Today, Cizy Biocare has grown to be a leading Cosmetic manufacturing company that is ever-evolving and ever-expanding. Cizy Biocare also provides premium-quality herbal and cosmetic products at market-leading prices. With our trustworthy logistic facilities, we are your number one choice for all your bulk requirements that meet the market's needs at the right time.

## What We Do :

Cizy Biocare offers private labelling of Cosmetic, Ayurvedic, and Nutraceutical products. We are deeply valued and appreciated by our clients worldwide as reliable partners who provide excellent business dealings through third-party opportunities. From concept to completion, let's take your business to the next level by providing perfect solutions for your business development needs.

As a leading manufacturing company, partnering with us means you will be able to produce custom formulations that excellently meet market demands. Our team of experts understands how the market works and can identify the most unique products that are both quick to market and in demand. Not only that, you have access to our state-of-the-art technologies, industry expertise, and years of experience in the field; your business has gone all it requires for success. As a company driven by value, we have experienced amazing results through collaboration with endless companies. We are the contract manufacturing company of choice for prestigious brands, working towards shared strategic visions and turning your dream into reality. Not as a company; see us as an extension of your team.
